DSC-H1 U1250 Web Camera How to install MSI Webcam Driver for the camcorder. The camera is now working in windows 7 on a standard PC. I am having a problem with the driver for the camcorder. Jun 20, 2015 How to install drivers for windows 7 64 bit - Techdirt.. I have recently purchased a Tech-Com Webcam Driver SSD-271-MP and I really want to know how to install it. I have searched the web for any help and cant find it. Jun 15, 2015 The driver was given the user having full rights to that particular USB port. So what can be done? The driver is posted on website with the Device manager. Here we have a post that solve my problem. Jul 17, 2011 Hi, I downloaded the proper driver from the manufacturer's site but my cam will not work after. I may have gotten a bad driver. Thanks. joshaubert00.com Feb 21, 2013 Hi there, I downloaded the drivers for my cam, and now the cam is working normally. But, when it is plug to my PC and then I start windows, the cam is no longer working. But when I plug the cam again, it starts working. Then I re-open my PC and I have to unplug and then plug again to the PC. help, please. Jul 6, 2011 Hi there, I've tried to re-install the drivers in my computer, but the cam is not working anymore. The cam is plugged and when I restart my computer, it just gives me a blue light, but nothing else. I've tried to check on the cam again, and it still works fine. Thanks. Feb 27, 2013 Hi, Thank you for helping, my cam is now working. I was able to figure out the problem, when I plug the cam to the USB port, it gives me an error message saying, "this software/device may not be supported or c u on another port" It then tells me that it's not recognized, and shows me a "?". That's it, that's all the error message. I have the cam, I just need the driver. Thanks. Mar 19, 2013 Hi, I just got my TechCom camc 82138339de
