
Fallout 4 Dlc Esm Files

February 7, 2018 - me did that, but steam doesn't load the esm files needed to actually load the dlc. I only have files so it doesn't work. I don't know why, but someone else had this problem and I think it's fixed on the Steam support page. https://support.steampowered.com/kb_article.php?ref=7849-Radz-6869 I just can't download the support files they send I've tried this but I haven't gotten them yet. I didn't receive anything. I'm desperate. This was my last hope. Anyone else who can help me get this to download It looks like an account issue.
