Mina Nikolic in front of you (2022). Thriller. The action takes place five years after the school days of Stevan Filipović's previous film "Next to Me", ... This time the protagonist is a teenager. He is trying to understand and comprehend how and what has changed in his life. He does not want to make decisions for other people, believing that everything should be clear and understandable. In general, the film is about teenage psychology, about relationships between people. It can be called a drama, and mysticism and a thriller. The film is shot in gray-black tones, which, perhaps, emphasizes his depressiveness, his pessimism.
