### **Elden Ring Features Key:**

**BASIC FEATURE 1** 

Unlike other titles that are simply driven by action, Tarnished is a step forward from Legend of Void-Eater. It offers a new action RPG experience with a new system in which action and strategy are combined.

**BASIC FEATURE 2** 

With the new system, Tarnished is able to implement large-scale battles and field that are filled with various situations and large-scale maps. BASIC FEATURE 3

Approximately 60,000,000 pixels across, the world is the largest in the series. Not to mention the intricate adventure that takes place between the various content and NPC characters.

**BASIC FEATURE 4** Players can create their own character with their own appearance and free customize their equipment to become a strong weapon. GRAPHICS (3D)

The graphics of the field and battles are able to zoom in to a near-realistic level with a higher impact.

GRAPHICS (2D) Every indoor-outdoor change of the field is incredible and realistic.

The time of your travels is re-explored with all the excitement of adventure!

CHARACTER CULTURE Please enjoy the rich and varied world of the series!

1 In Japan, a commonest word that expresses the response "You're great!"

2 The Elden Ring is the kind of set that ties together in Gothic, Fantasy, and heavy metal. Similarly, in this title, Tarnished is an independent title which is set outside the series.

3 The product title has changed slightly because we could not include the distribution method by the 2-year established business and have plans to open the distribution of the official area for the period of the interest

# What's new:

Idaopeia is excited to announce the release of Square Enix's mystery "secret title" in Japan, SaGa Chapter Kiwami 2, for Nintendo Switch. In a story that centers on the famous heroes of the first SaGa series SaGa Frontier, Kiwami 2 will bring an exciting new experience to users with the power of the Switch. We have also released Kiwami 2 Trailer 2 in the meantime!

"SaGa Frontier Kiwami 2" is more than a new title. Since the first title was in development at Square Enix when it launched in 1986, the SaGa series has endured for over three decades with support from each of its fans. With the power of the Switch, we want to bring SaGa Frontier Kiwami 2 to all fans of the SaGa series globally.

It's like playing through the stories of SaGa Frontier again, this time on the Switch in a completely new experience. We're having a lot of fun in development, so look forward to **Kiwami 2 on the Switch!**
