

. commercial CAD system kit (CATIA V5.12, Dassault Systemes). . PREVIOUS WORK In recent years, ISO/TC 213 (Dimensions and ...) has become more common in standards when it comes to design tools, but is not always mentioned when rewriting standards related to design. Currently in ISO/IEC JTC 3 FCC 47 "Test methods and performance metrics" (IEC/TC 47 "Test methods and performance metrics"). adopted in USA in 1992 and in Europe
