
Emergency 4 Dortmund Airport Mod 16

The individual and the emergency medical service must work together for the best care of the patient. In general, care at an emergency scene is considered to be the third priority after the basic and primary care and the formal and legal care. Clinical care should also be the third priority. In case of clinical care, for example the patient is not under the influence of alcohol or drugs, there must be a physician present and the medical emergency service can turn back to provide care for other patients. Mere minutes are enough to take a safe and comfortable taxi from the airport to the University. But do not forget your baggage! Do not miss our representative at the airport as well as our taxi companies. University Hospital Dortmund-Universitt can be reached by taxi line 2. The taxi rank is located between the airport and the main entrance to the university. The fare will depend on the length of your stay. You can also reach the hospital by bus (line 68). DortmunderSchleuse is the link to the airport in addition to landline and mobile phone connections. Our customer service team is available 24/7 to provide you with assistance. Please let us know if you need any further information. You can also follow us on Twitter, Facebook and LinkedIn. The airbusport is located directly on the south campus. From there, the train line that runs between Dsseldorf and Dortmund (called the "Nightliner") stops directly opposite. Trains depart every hour from 8:00 p.m. to 5:30 a.m. A special service for TU Dortmund University and the Ruhr Region: The mobile phone service "TUUp" can be used 24/7 to order a taxi and give instructions.
