OvCalendar Crack

The Ovulation Calendar Calculator is a software that helps women avoid an unwanted pregnancy or on the contrary, have a baby as soon as possible. The application features an intuitive and clear-cut appearance, whose main functions are grouped under distinct tabs, specifically 'Ovulation', 'Basal Temp', 'Calories', 'Exercise', 'Weight', 'Blood Pressure', 'Baby and Kids', 'To Do', 'Journal' and 'Week Planner'. As such, you can select the component you want to use and begin adding your personal information, then view the results and proceed to following the indications it offers you. Plan your life and track every change in your day to day activities. Due to its various side uses, OvCalendar can also serve as a daily organizer or weight loss diary, as it enables you to monitor a wide array of activities in your life, simply by

inputting various small details about your sleeping, eating or exercising habits. The 'Ovulation' section of the program lets you choose your goal ('Avoid Pregnancy', 'Conceive', 'Conceive a Boy', 'Conceive a Girl') and enter the date of your last period, after which it will inform you how your most fertile days. Additionally, you can track increases and decreases in your 'Basal Temp', so you can further determine when are your likeliest chances of getting pregnant. Moreover, OvCalendar helps you keep a close eye on your food intake, enabling you to calculate the amount of carbohydrates, protein and fat you consume for breakfast, lunch, dinner and snacks. The 'Exercise' section lets you learn the amount of calories you have burned after a certain physical activity, while the 'Weight' tool allows you to set a target weight to reach in a given amount of time. You can also track your children's sleeping pattern, create and schedule various tasks for the

upcoming days, or keep a journal of your most important events. Similarly, you can use the 'Weekly Planner' to map out your projects and assignments, both home and work-related. A multi-purpose calendar and organizer To conclude, OvCalendar is quite a complex yet useful utility that aims to assist you in keeping your life in
