EZURLDownloader is a very simple to use program. Ep

EZSurfer

- Very easy to use (in 2 minutes, on the very first launch you can browse the web safely).
- Reliable and fast browsing of the most visited websites and other resources.
- Fast: it helps you to search in minutes, all over the web, in

your language. - Safe: it is the first and only browser that is safe and easy to use, by subject. - Intelligent: gives you a personalized and intelligent experience when browsing the web. - It includes all the features of EZSurfer plus: - Operates in just seconds, thanks to its innovative technology. - Quick: it is easier than its competitors to load, thanks to its technology and the multi-threaded architecture. - Active: it is constantly in touch with the entire Internet in order to provide the most accurate content. - Superfast: thanks to its multi-core system. - Adaptive: thanks to its new updated technology and a new approach to loading, the only browser that will be able to run even with a slow modem, with a great browsing experience.

Settings Tweaks Where is the EZSurfer search list stored? The file which contains the list of URLs to be indexed, is stored in the Documents/EZSurfer folder. On Windows it's named "words.dat". Where is the EZSurfer history file stored? On Mac, it's in the

History/EZSurfer folder. On Windows it's in the Documents/EZSurfer folder. How do I restore my browser from an EZSurfer backup? You need to download the EZSurfer Deluxe version (if you only want the search engine). On Windows the file is named EZSurfer_Backup.zip. How do I activate EZSurfer from a backup? You need to run the Windows installer. [Click here for more information on activating EZSurfer.](#) How do I reinstall the EZSurfer Deluxe version? You can just install it again. My computer is slower after installing EZSurfer! On a dual-core or multi-core system, it's normal. The Windows OS uses multi-threading technology to allow more than one thread to be active at the same time. What can I do if EZSurfer doesn't work on my PC? - 2edc1e01e8
