

Britney Spears - Born To Make You Happy (Audio) PORTABLE

[Chorus]

[Refrain]

I don't know how to live without your love

Je ne sais pas comment vivre sans ton amour

I was born to make you happy

Je suis née pour te rendre heureux

'Cause you're the only one within my heart

Car tu es le seul dans mon cœur

I was born to make you happy

Je suis née pour te rendre heureux

Always and forever you and me

Toujours et tout le temps toi et moi

That's the way our life should be

C'est ainsi que devrait être notre vie

I don't know how to live without your love

Je ne sais pas comment vivre sans ton amour

I was born to make you happy

Je suis née pour te rendre heureux Serwis Młodzieżowy.pl, w tym cała redakcja, nie ponosi odpowiedzialności za treść tłumaczenia piosenki Born to make you happy - Britney Spears .
