watched the sonic 2 trailer but better and knew that the movie would be good because of (spoiler alert) The part where sonic just goes "oh no you dont wanna get close to this hedgehog because he had way too many chilli dogs oh no get back "farts" The upcoming superhero comedy film Sonic the Hedgehog 2 follows Sonic, a blue alien hedgehog with superspeed, living on Earth with his human friends. After defeating the evil Dr. Robotnik and saving the world in the first film, Sonic is now enjoying his freedom. But soon, his old enemy returns under the new alias of Dr. Eggman, in search of an emerald that will make him so powerful that he can build and destroy civilizations in no time. And oh, Robotnik has a new partner, Knuckles the Echidna. Sonic teams up with a good old friend, Tails, and sets out on a mission to retrieve the emerald before Robotnik lays his hands on it and wreaks havoc on this planet he now calls home.
