

Spring Awakening High Quality

In April 2009, McG was announced as the director for the film adaptation.[71] In 2010, lyricist-librettist Steven Sater told *Playbill* that a film version of *Spring Awakening* could begin production in Europe in the spring of 2013.[72] In 2012, Duncan Sheik told Broadwayworld.com that the movie was in development, but not everything was in place yet. In March 2014, Sheik revealed to *U-T San Diego* that the movie would include a new song.[73] We are seriously looking at "Spring Awakening" for our spring 2020 musical. However, we do not have an accompanist for every rehearsal, and in the past have relied on RehearseScore to fill in those rehearsals. Is it possible to rent the Performance Recording for those purposes? We will have a live pit orchestra for the dress rehearsals/performance. It's also the German dramatist Frank Wedekind's first major play and a seminal work in the modern history of theatre. It was written sometime between autumn 1890 and spring 1891, but did not receive its first performance until 20 November 1906 when it premiered at the Deutsches Theater in Berlin under the direction of Max Reinhardt. It carries the sub-title A Children's Tragedy. The play criticises the sexually oppressive culture of nineteenth century (Fin de siècle) Germany and offers a vivid dramatisation of the erotic fantasies that it breeds. Due to its controversial subject matter, the play has often been banned or censored. Based on a banned and censored 1891 play by the same name, the rock musical *Spring Awakening* explodes the repression that shut down the original play and lays bare an electrifying story of adolescent sexual awakening and rebellion against an oppressive society. Set in a provincial 1890s German village, local students struggle to understand the onrush of new feelings and desires as they come of age, but their efforts are thwarted by the narrow-minded, controlling adults who enforce stifling rules and withhold knowledge and support. With an

exhilarating alternative rock score by Steven Slater and Duncan Sheik, *Spring Awakening* deals with controversial issues of teen pregnancy, child abuse, abuse of power, abortion and suicide with stunning artistry. It won 8 Tony Awards in 2007, and many other awards then and since. Say good morning to spring with this spirited blend of South American, African and Indonesian coffees. We carefully light roast these exotic beans to bring out the lively character and sharpness expected from these wonderful origins.
