One such option is the various companies are bundling a free Apple TV+ subscription with their services. For example, there is the option to get a free year subscription to Apple TV+ with T-Mobile (if you live in the US), you can also get six months free Apple TV+ with a PlayStation 5 or three months with PlayStation 4. Find out more about these deals below. There are a number of ways in which you can watch shows on Apple TV+ for free. Apple offers limited time trials (discussed below), and the service also allows you to watch the first episode of many shows for free. In fact there several dozen episodes available to watch for free including the first episodes of Ted Lasso, The Morning Show, See, Trying, and more. Another way to get Apple TV+ for free is to sign up for a student subscription to Apple Music. If you qualify as a student in Higher Education you will be able to get Apple Music for half price, and as an added benefit Apple is bundling free Apple TV+ subscriptions with student subscriptions to Apple Music. You qualify for free Apple TV+ for as long as you subscribe as a student. T-Mobile offers Apple TV+ free to Magenta MAX smartphone customers, which is normally \$185 a month for three phone lines (but is currently \$140 a month). As well as getting Apple TV+ for free for the length of their contract, customers also get Netflix (two screens) and Paramount+ for one year. You can get three months of Apple TV+ for free through Best Buy, without even making any special qualifying purchase. Just go to the Best Buy Apple TV+ promo page, hit Add to Cart, and check out. Follow the prompts to access your digital download, which is a code you can enter for three free months when you first sign up for Apple TV+. The code will work for new or returning subscribers. You can get three months free access to Apple TV+ via the O2 Priority app (this drops to two months if you have previously had an Apple TV+ trial). O2 Priority is a loyalty scheme for O2 customers that offers various benefits and discounts. What if you are thinking of buying a new Apple device later? Will you be able to switch from a subscription to the free trial? We think that the way to do this would be to cancel your subscription before signing up again via the three-month trial.
